

# Behavioral Health Action Team

## Jackson County Healthy Communities Coalition

### Strategies

#### **Decrease misuse of prescription drugs by:**

- Increasing awareness of misuse and its consequences.
- Increasing options for safe storage and disposal of medications.
- Expanding alternatives to incarceration.

#### **Increase the number of children and adults receiving treatment for depression and anxiety by:**

- Increasing the awareness of the prevalence of depression and anxiety as well as the availability of effective treatments.
- Increasing screening and early detection for depression and anxiety.

### Overall Goal

Improve access to behavioral health services and ensure that everyone with behavior health problems gets the services they need.
