

Partners in Health,

Welcome to the Franklin/Williamson Healthy Communities Coalition! We are excited you're interested in our work and invite your participation in making Franklin and Williamson Counties healthier places to live. The coalition meetings *usually* take place on the third Thursday of every other even month from 9:00–10:30 am. The meeting place is the Marion Man-Tra-Con office in the Illinois Star Centre Mall located at 3000 W. DeYoung St., Suite 800-B, Marion, IL 62959. Meeting dates, agency presenters, minutes and additional information about coalition activities can be found at:

[www.hsidn.org/franklin-williamson-healthy-communities-coalition](http://www.hsidn.org/franklin-williamson-healthy-communities-coalition)

Each community partner is welcome to network at the larger community meetings and is also encouraged to become a valued member on one of our action teams. Whether you are interested in attending to network to keep current on health-related events or to join a specific action team we are happy you are at the table! Please check with the action team leaders to be sure of meeting location/date.
